THE “ELBOW-BUMP” OF PEACE? - Friends, every year we remind our members by way of our parish media (Bulletin; Flocknote, Facebook...) to err on the side of caution and to use good sense during the cold & flu season, for instance: stay home if you are not well on the weekend and participate Sunday Mass via the TV or Internet. This year, due to the coronavirus we have removed water from the fonts by the doors and we are encouraging congregants to exchange the Sign of Peace by way of a head nod. Before and after Masses let’s not shake hands for a while.

NOON – There was a saying that in the tropics, “Only mad dogs and Englishmen are out in the noonday sun.” In places such as the Holy Land at the time of Jesus women would go to the village well to draw water in the less torrid mornings and evenings, yet the woman in the Gospel today goes to the well at noon---precisely when no one else will be there. Much to her surprise Jesus is waiting for her at the well, in the noonday sun. Jesus “invades her space” so as to introduce her to a newly discovered well that will quench a newly-discovered thirst. Living Water.

We are working hard to keep our chapel clean and sanitized and as long as we have disinfectant wipes we will put them out for your use in chapel. Our Ministers of Holy Communion will use hand sanitizer as long as we can get it and they wash their hands with soap and water before and after distributing the Body of Christ. I ask that you please consider not receiving Communion on the tongue until we get through this public health concern.

Also if you think is wise for you to avoid being in crowds at this time, please feel free to stay at home and participate in Mass via the TV or Internet.

That said, I want to thank our 91 members who are already supporting our parish financially via our Direct Debit program, and I ask our other to use this public health event as an occasion to read the Green Insert in this week’s parish bulletin and consider adopting the Direct Debit method for financially supporting our parish.

SPECIAL COLLECTION - This week we are taking up the Collection for the Church in Latin America. for more information visit: http://www.usccb.org/catholic-giving/opportunities-for-giving/latin-america/collection

DIAPER DRIVE - On March 25 we will be celebrating the conception of Jesus in the womb of Mary and so a Diaper Drive next weekend seems well-timed. Please drop your diaper donations on the front porch of 602 S. Main Street (next to Chapel). Diapers will be shared between A Baby’s Breath and with our Parish Pantry.

ECUMENICAL LENTEN SERIES – Everyone is invited to an Ecumenical Lenten Service this Wednesday at 7:30 PM at St. Peter’s Episcopal Church (121 Church Street). Pastor Dan McDowell of Grace Crossing Church will preach on “Bridging the Swamp”.

HAPPY DOUBLE FEASTDAY – to all our children, families, faculty, staff, administration at Holy Family School (Jesus, Mary and Joseph) as they celebrate the feast of their patron Saint Joseph this Thursday. Happy Feastday also friends at St. Joseph’s Parish in Spring City.

From the Pastor’s Desk...

NO SHADOW – In spending time with today’s Gospel this year it struck me for the first time that at noon there is no shadow. Psychologists speak of the shadow side of the self, that is, of the things that I as an individual and/or that we as a group are not ready or not willing to face, deal with, bring into the light. Later in John’s Gospel Jesus will say, “I am the light of the world. Whoever follows me will not walk in darkness, but will have the light of life. (Jn.8:12) and “I came into the world as light, so that everyone who believes in me might not remain in darkness. (Jn. 12:46). These words from St. Augustine come to mind, “In my deepest wound I saw your glory, and it dazzled me.”

Partners in Faith: Helping our children grow in their Catholic faith.

Plant The Seeds of Faith
Helping children to grow in faith is like tending a garden. To become healthy, plants need regular attention, the right ingredients and help from an expert gardener. To be strong, children’s faith needs regular attention, the right ingredients, and God’s continual help. **Cultivate the soil.** Before planting, the soil must be prepared. It has to be made moist, perhaps have fertilizer mixed in, be positioned to get lots of sunlight, and any weeds must be cleared. Baptism cultivates our children’s souls in a similar way. The weeds of original sin are removed, hearts are turned toward God, and the conditions are made right for God’s planting. **Plant the seed.** Some ways to plant seeds of faith include sending children to Catholic school or religion classes in your parish, reading Scripture together, and practicing faith at home. Feed and water. Plants grow best with the right amount of water and fertilizer or food. Prayer, weekly Mass, Sacraments, and religious study give our children’s souls the food they need to grow a healthy faith. **Constant tending.** Weeds can steal the food and resources plants need to grow. Sin can also choke our faith so that it becomes thin or weak. Taking our children to the Sacrament of Reconciliation regularly is a great way to keep weeds of sin out of their gardens.
